Dear Heather Guidry,

I hope this letter finds you in good health and high spirits. I am writing to express my heartfelt gratitude for your generous donation of \$1000 to PTSD Galleries in Studios last year. Your contribution made a significant impact on our organization's mission to support disabled veterans who live with the symptoms of post-traumatic stress.

Your donation, received on April 27, 2022, touched our hearts and helped us continue our efforts to provide essential resources, programs, and services to those who have bravely served our country. It is through the kindness and generosity of individuals like you that we can make a meaningful difference in the lives of these veterans, easing their burdens and fostering a sense of community.

Your commitment to the well-being of our heroes is inspiring, and your continued support humbles us. With the positive impact, we were able to achieve last year, we have been able to witness firsthand the positive changes that occur when people come together to support a common cause.

As we embark on a new year, we are optimistic about the possibilities that lie ahead. We have exciting plans and initiatives lined up to expand our programs and reach more veterans in need. In light of this, I would like to extend an invitation for you to consider supporting PTSD Galleries in Studios once again through a donation for 2023.

Your contribution will help us continue our vital work and empower disabled veterans on their path to healing and recovery. Any amount you contribute will significantly impact and be greatly appreciated.

Should you wish to donate or require additional information about our organization, please do not hesitate to contact me at 214-458-0988 or at aaronmahlon@ptsddfw.org. I would be happy to answer any questions you may have or provide you with any necessary documentation.

Once again, thank you, Heather, for your incredible generosity and compassion. We are sincerely grateful for your support and partnership in our mission. Together, we can make a lasting difference in the lives of those who have sacrificed so much for our freedom.

With warmest regards,

Aaron Thomas
