7317 Oakmont Blvd.
Fort Worth, Texas 76132

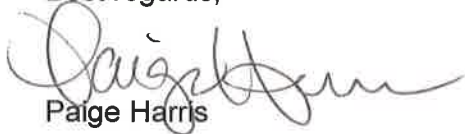

Dear Mr. Payne,

Thank you for your support of the Cleburne Education Foundation. Your gift of \$1,000.00 will help CEF enhance classroom experiences and innovative resources for our Cleburne students. We truly appreciate your generosity!

Since 2012, CEF has provided over \$720,000 in support of creative and innovative learning opportunities throughout the Cleburne school district. During the past school year, we awarded grants for science, phonics, math and music programs at all 7 elementary campuses; funded podcast recording equipment, new library books, outdoor adventure class equipment and math software at our middle schools; and, financed state of the art lab equipment for the chemistry and physics classrooms and provided resources for foreign language at the high school. All of this is made possible because of generous friends like you.

All donations made to CEF are invested in our students to expand their learning opportunities in Cleburne ISD. With your support, our investment in our children today will expand their options for success in the future. Thank you again for your support of CEF!

Best regards,

Paige Harris
