ONLINE & MOBILE BANKING

Online Banking

With *Colonial Online*, you can:

- View account balances and summaries
- View account history and check images, plus sort images and information by type, date and amount
- View transactions in a simple checkbook format
- Export account history to personal accounting software
- Transfer funds between accounts on a one-time or recurring basis, including installment loan payments
- Set up balance and activity alerts
- View electronic checking and savings statements in a secure environment
- Pay an unlimited number of bills online

Getting Started is Easy

Just go to our website, ColonialSavings.com, and click "Online Banking." Choose your own user ID and password by clicking "Enroll for Online Banking." You can also choose to receive your user ID and temporary password by mail.

Free Online Bill Pay

It's easy and secure to receive, view and pay your bills with *Colonial Online*. You save time, money and postage. Just complete the Bill Pay Enrollment form on the login page.

- Manage all of your bills from one secure online environment
- Pay any company or individual. Electronic payments are debited from your checking account on the due date you select. If the payee cannot be paid electronically, a check will be issued.
- Set up one-time, recurring or automatic payments
- Receive e-bills from participating companies
- Set up bill pay reminders
- View bill pay history online

Online Statements

Colonial Online allows you to view and print 24 months of checking and savings statements. You'll receive an email notification when your statement is ready. No more paper statements in the mail – and you reduce the risk of mail fraud. To get started, go to "E-Statements" on the *Colonial Online* menu.

Mobile Banking

Colonial Mobile gives you many of the same features available through *Colonial Online* with the added convenience of using your text message or Web-enabled mobile device. Because Colonial uses the latest mobile banking technology, *Colonial Mobile* is easy, safe and secure.

With *Colonial Mobile*, you can:

- Check your account balances
- View your transaction history
- Receive balance and other alerts by text message
- Pay bills

Colonial offers SMS text alerts, mobile Web access and downloadable apps for certain devices. You must be enrolled in *Colonial Online* to use *Colonial Mobile*. You will use the same login ID and password for secure access.

Colonial Mobile is a free service from Colonial, but your mobile phone carrier may charge text message and Web access fees.

Sign-Up is Easy

1. Download the Colonial iOS or Android app on your mobile device.
2. Access *Colonial Mobile* Web at <http://m.colonialsavings.com>.
3. To access text banking or use mobile alerts, log in to *Colonial Online* and select "Administration," then "Mobile Banking."

Other Online Services

- Change your address
- Send and receive secure messages
- Change your password and user ID
