Dear Mr. Turner,

Thank you for your kind and generous donation of \$ 1,150.00 on March 21st. Your support allows Hendrick Scholarship Foundation to provide multi-year scholarships and support services to Plano ISD graduates who have overcome adversity.

As you know, in addition to scholarships, HSF provides a unique support system that includes coaching, tutoring, career counseling, and life skills workshops. As a member of the Hendrick Scholarship Foundation family, you make it possible for our students to obtain 2 or 4-year degrees while developing the skills necessary to be successful not only in their educational journey but in their personal and professional life.

This month, our students have had the opportunity to attend several workshops, including "Build Your Network" and a vision board building "Frame Your Future." These workshops are part of the extra services and support that we give our students as part of their scholarship, and this is what sets our program apart and pushes us beyond scholarship opportunities elsewhere.

Thank you for your continued support of all our remarkable students!

Sincerely,

Nancy Humphrey
Executive Director
Hendrick Scholarship Foundation

Hendrick Scholarship Foundation is a 501(c)3 organization. Please keep this written acknowledgement of your donation for your tax records.
