Dear Mr. Turner,

At Boys & Girls Clubs of Greater Tarrant County, our work touches lives every day. Your gift of \$2,000.00 will help us provide the enriching programs that provide hope and a future for youth in our community.

Often unnoticed, too many children can be left behind, but with strong advocates they are given an opportunity to excel. Last year, Boys & Girls Clubs of Greater Tarrant County served more than 23,000 kids. Our programs foster meaningful relationships with peers and adults, and enhance the development of their academic success and moral character.

Thank you for your support. Your generosity empowers us to enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Sincerely,

**Daphne Barlow Stigliano**
