

Tarrant area food bank donation

During the past holiday season, Colonial employees conducted fundraising events to benefit the Tarrant Area Food Bank (TAFB). The proceeds from their efforts have been matched by the bank, who contributed \$2,000 to support TAFB's efforts. The TAFB was founded in 1981 with a mission to "empower communities to eliminate hunger by providing food, education and resources through innovation and collaboration." They currently serve as the primary source of donated food for hunger relief charities and feeding programs in 13 North Texas counties.

Check presented to Stephen Raeside, Director of Development for the TAFB by Robert Turner, VP Fair Lending Manager /CRA Officer.
