The Optimist Club of Fort Worth

The Colonial Savings Foundation awarded a generous scholarship of \$1,500 to Ana Gonzalez, senior student from South Hills High School in Fort Worth.

Each year, the Optimist Club of Fort Worth raises money through their Christmas tree sales project and requests for funding to award financial scholarship awards for outstanding students from each of the 13 high schools in the Fort Worth ISD.

This year more than \$25,000 was raised and distributed to the top ranked student scholar-athletes who were nominated by counselors from their respective schools.
