Dear Heather,

Thank you for your generous donation of \$2,000.00 on 01/13/2021. Your generosity comes at a time of great need for our organization.

While our country is in a state of crisis you are supporting those in our community most in need. Home is the most dangerous place for domestic violence victims. Abusers like to isolate victims from their support system, and when the government and other leaders are encouraging us to isolate ourselves, victims spend even more time alone with their abusers. Because of this we work hard to move forward, to continue serving those most vulnerable. While our service delivery during COVID-19 may look a little different we are still committed to serving domestic violence victims. You make this possible for us! Thank you.

Thank you for providing our community with the hope they so deeply need during this difficult time and for helping us keep our doors open.

To learn more about how we are helping survivors of domestic violence during the COVID-19 pandemic, please contact Emily Hancock at [ehancock@safehaventc.org](mailto:ehancock@safehaventc.org).

SafeHaven of Tarrant County is a U.S. tax-exempt 501 (c) (3) organization. Consistent with IRS guidelines, SafeHaven of Tarrant County affirms that no goods or services were provided in exchange for your generous gift. EIN #75-1670281

Again, thank you for helping us to best serve our community.

Sincerely,

SafeHaven of Tarrant County
