Re: 2018 Donation to the MBA Opens Doors Foundation

Dear Dave:

Thank you for your generous support of the MBA Opens Doors Foundation. This letter verifies that no goods or services were provided to you in exchange for your contribution. A detailed record of your contribution(s) for calendar year 2018 is included below. Our Federal EIN is 32-0355086, making this donation eligible as a Federal tax deduction.

Total Contribution(s) for 2018: \$2,160.00

MBA Opens Doors began over six years ago to aid, nurture and empower people and communities by developing and supporting programs that promote and defend sustainable homes for families. Our first initiative helps families with critically ill or injured children make their mortgage or rental payments, and with your generosity, we have provided over 2,700 families with housing assistance grant payments.

In 2019, we will continue to encourage our members to unite in support of the MBA Opens Doors Foundation, providing assistance to families with critically ill or injured children, irrespective of whether they own or rent their home.

Your donation has made a significant impact on a family in need, and with your continued support in 2019 we can help even more families in need!

Sincerely,

*Teresa F. Betz*
