Dear Mr. Turner,

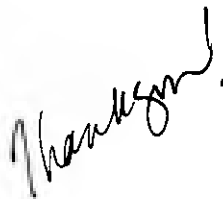

We greatly appreciate the support from Colonial Savings Foundation in support of small business development. Your contribution of \$2,000.00 received June 4, 2019 is crucial in breaking the cycle of homelessness and poverty for women and children, while building strength of our community.

Center for Transforming Lives lifts women with children from poverty to possibility, through safe homes, education, and financial stability. This three-faceted approach provides a secure place for hundreds of women, children and families to live, offers an enriching educational environment for young children, and offers one-on-one financial coaching to empower families to become fully self-sufficient. You are transforming lives!

Thank you again for investing in the women and children served by the Center for Transforming Lives.

With gratitude,

Carol Klocek
