Ms. Laura Cadahia
Colonial Savings
2600 West Fwy
Fort Worth, TX 76102-7109

Dear Laura:

Thank you for Colonial Savings' contribution of gas cards, gift cards, and wish list items, as well as \$577 in cash, individual checks, and individual online giving. With your help The Women's Center will continue to provide **long-term solutions** for women and families in crisis, enabling them to heal, to grow, and to thrive.

- Women and men will **find jobs** so that they can support their families.
- Low-income mothers and their children will **escape welfare and poverty** through education, job training, and employment.
- As a result of counseling, life skills training, and follow-up support, **women in crisis and transition will get their lives back on track.**
- **Child and adult victims of rape, sexual abuse, battering and other violent crime will overcome devastating emotional trauma** and go on to lead productive rather than haunted lives.
- **More than 135,000 school children will learn how to reduce their risk of sexual abuse.**

Every contributor -- giving money, goods, or services -- becomes an integral partner in making these solution-generating services possible. On behalf of the thousands of individuals and families benefiting from The Women's Center each year, please accept my sincere appreciation.

Sincerely,

Laura M. Hilgart
President & CEO
