Dear Heather,

On behalf of the Board of Directors of the United Way of Albany County, I want to thank you for your generous matching grant of \$5,000 to our 2019 annual campaign dated December 15, 2019. We are extremely grateful. We will use this match in accordance with your request to address homelessness, health services for low income seniors, and daycare center operations in our community. We currently support 17 separate agencies here in Albany County, and over half of these serve these populations in one form or another. Your matching grant will be dedicated to those agencies.

Once again, we **are most grateful for your contribution.** The United Way of Albany County is a 501c3 organization. Your contribution is tax deductible to the extent allowed by law, and no goods or services were provided in exchange for this contribution. I have included a receipt of donation for your records.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul Heimer", with a long horizontal line extending to the right.

P.S. This makes a big difference in our campaign.
