Dear Ms. Lackey,

You make home happen!

Your investment in our community means more people will exit homelessness into their own homes -- sheltered, healthier, and more secure. Because of you, our community will be cleaner, safer and more inclusive of everyone. Your commitment will relieve stress on our hospitals, jails, and first responders. Thank you!

On behalf of the 2022 Breakfast with the Mayor event committee, honorary chairs Karen and Larry Anfin, the DRC staff and board of directors, and the people whom we serve, please accept our sincerest gratitude for your Advocate Sponsorship sponsorship of "You Make Home Happen: 2022 Breakfast with the Mayor" event in the amount of \$4,750.00, of which, \$4,750.00 is tax deductible by law.

Your sponsorship includes a table for ten at the event. As the date grows closer, we will contact you with your table number so that you may let your guests know ahead of time and bypass the check in table. We will not need the names of your individual guests.

While emergency shelter is a critical part of serving those without homes, Housing First is proven to increase the chances of success and decrease community expenses when serving people without homes. Your investment in the DRC and our programs is so very appreciated.

Please do not hesitate to contact me at any time. I am happy to speak with you or offer any assistance.

With deepest thanks,

Bruce Frankel
Executive Director
